As used herein, the terms "military personnel" and "military reservists" do not include spouses and dependents.

### 3. Definitions

4. Registration

- a. In order to operate a mobile dental facility or portable dental operation, the Operator must be an individual who is authorized to practice dentistry under the laws and regulations of this State, and must possess a current mobile dental office registration issued by the Board.
- b. To become registered, the Operator must:
  - (1) Complete an application in the form and manner required by the Board.
  - (2) Pay an initial application fee, such fee as stipulated in Board Regulation 37.
  - (3) Provide the Board with evidence of compliance with the requirements of this regulation.

- a. The Operator of a mobile dental facility or portable dental operation shall maintain an official business or mailing address of record (hereinafter "official office address"), which shall not be a post office box and which shall be filed with the Board.
- b. The Operator of a mobile dental facility or portable dental operation shall maintain an official telephone number of record, which shall be filed with the Board. Furthermore, the telephone number for the mobile dental facility or portable dental operation must have 911 capability.

6. Written Procedures, Communication Facilities, Conformity with Requirements, and Driver Requirements

The Operator of a mobile dental facility or portable dental operation shall ensure the following:

- a. There is a written procedure for emergency follow-up care for patients treated in the mobile dental facility or portable dental operation, and such procedure includes arrangements for treatment in a dental facility that is permanently established in the area where services were provided.
- b. With the registrant's initial application, the Board must be provided a list of names of dentists to whom the Operator of the mobile dental facility or portable dental operation will refer patients for follow-up care, subject to the patient's right to choose another dental care provider. This list shall contain the dentist's full name, physical office address, telephone number, and an attached statement from each dentist so listed indicating that the dentist will be responsible for follow-up care. The list shall be updated when changes are made insofar as follow-up care dentists are concerned. A dentist who agrees to provide follow-up care must be practicing and located in a land-based dental office which provides dental services either in the county wherein the mobile dental facility or portable dental operation provides services, or in an adjacent county to the location wherein such services are being provided.
- c. A copy of the driver's licenses of all drivers of the mobile dental facility or portable dental operation must be submitted with the Operator's initial application to the Board.
- f. No services are performed on minors without a signed consent form from the parent or guardian, which indicates:

- (1) if the minor already has a dentist, the parent or guardian should continue to arrange dental care through that provider; and
  - (2) the treatment of the child by the mobile dental facility or portable dental operation may affect the future benefits that the child may receive under private insurance, Medicaid; or the Children's Health Insurance Program (CHIP).
- g. A mobile dental facility or portable dental operation that accepts a patient and provides preventive treatment, including prophylaxis, radiographs, and fluoride, but does not follow-up with treatment when such treatment is clearly indicated, is considered to be abandoning the patient. Arrangements must be made for treatment services by either the Operator or other licensee who agrees to provide follow-up care. If such arrangements are not made, the Operator will be construed to have committed unprofessional conduct pursuant to Miss. Code Ann. § 73-9-61 and shall be subject to disciplinary action by this Board.
