The reinstatement of licenses which have been stricken from the rolls for failure to pay registration fees for periods in excess of ninety (90) days shall be governed as follows:

- I. Where the period of time for which the license has been stricken from the rolls is less than three (3) years, and the applicant has continuously during that time been fully licensed to practice and actually has practiced his profession or specialty in another state, or in the armed forces, reinstatement may be applied for and obtained by submitting the following to the Board:
 - A. A completed application form with attachments; and
 - B. Payment of the applicable annual registration fee for each year it has not been paid, plus payment for the year in which reinstatement is sought.

- II. Where the period of time for which the licensee has been stricken from the rolls is less than three (3) years, but the applicant has not continuously during that time been fully licensed to practice and actually practicing his profession or specialty in another state, or in the armed forces, reinstatement may be applied for by:
 - A. Submitting the application and payment provided for in subsection "A" above; and,
 - B. Appearing personally before the Board to respond to such inquiries as the Board may deem appropriate in determining whether reinstatement is appropriate without subjecting the applicant to examination and other licensing requirements as an original applicant.

Where the period of time for which the license has been stricken from the rolls is more than three (3) years, but less than seven (7) years, and the applicant has continuously during that time been fully licensed to practice and actually has practiced his profession or specialty in another state or in the armed forces, reinstatement may be applied for according to the application procedure set forth in subsection "B" above.
 - D. In all cases other than those set forth above, reinstatement may only be obtained by taking the examination and completing other licensing requirements as an original applicant.

- III. At the time the licensee requests licensure reinstatement, the licensee must comply with the requirements for licensure reinstatement set forth in Board Regulations 41

and 45, which deal with continuing education and Cardiopulmonary Resuscitation, respectively.
