I fully understand that any significant misstatements in or omissions from this application constitute cause for denial of approval. All information submitted by me in this application is true to my best knowledge and belief. I further understand that the Board will post on its Internet web site all information it deems necessary to enable the public to verify my licensure status.

I have read the Mississippi State Dental Practice Act and Board Regulations and promise to abide by them and to conduct myself in an ethical manner at all times. I further promise to abide by future policies that may be established by the Mississippi State Board of Dental Examiners.

Applicant Anesthesia Provider recognizes that healthcare providers may suffer from potentially impairing health conditions, just like their patients, including psychiatric illness, physical illness which may impact cognition, and substance use disorders. All healthcare providers are expected to properly address their healthcare concerns, in order to ensure patient safety. This includes seeking appropriate medical care and limitations on healthcare practice, when appropriate. Failure of a healthcare practitioner to adequately address any health condition which may impair their ability to practice medicine with reasonable skill and safety to patients will likely result in loss of collaboration with other healthcare providers and possibly loss of license. By submitting this application, I acknowledge I have read and understood this statement
